**Incident Summary:** On July 5, 2017 at approximately 4:21 p.m., the Columbus Division of Police received a call and were requested to respond to the area of 418 Mayfair Blvd. The caller stated that two (2) juveniles had been shot. When they arrived a few minutes later they discovered a male near that address that had been shot and was in extremely critical condition. He was transported to Nationwide Children's Hospital. His condition has not improved at the time of this release. The female victim was also transported to the same hospital and was later upgraded to stable condition. It is believed that both victims were not the intended targets and were possibly caught in a cross fire between unknown combatants. This case remains under investigation.
